THE GEORGE
of Stamford

WINE LIST

The Wine List was 'built' by Lawrence to reflect a lifetime of knowledge and enjoyment.

The list outlines an extremely varied collection of wines, Champagnes and ports, of which we are rightly proud, and offers the rarer wines at extremely attractive prices deliberately to allow you to fully enjoy them.

An asterisk by the wine denotes it is available in Magnums, although possibly in a different vintage. These wonderful bottles always offer gravitas to any occasion.
