## **Wine List**

The aim of this wine list is to offer the most interesting wines we can find. 'Interesting' means characterful, individual, intriguing - not simply classic. Our pricing favours the better bottles - we use a 'cash mark-up system', taking a much lower percentage on the more expensive wines. We hope this encourages you to experiment. A \* by the wine means it is also available in magnum, although perhaps in a different vintage.

### White Magnums from Didier Dagueneau, Loire, France

Didier Dagueneau's son Benjamin runs the most revered estate in the Loire Valley. His Sauvignon Blanc is the most serious, concentrated and impressive you may ever drink. Not a bit like NZ examples, these wines are much more austere and mineral. They are also in huge worldwide demand from top sommeliers – hence the extreme prices. They are always in short supply.
